INSTRUCTIONS FOR STOCKINGS

Right Side Of Fabric

Wrong Side Of Fabric

Use 1/2" elastic

1. Cut two of stocking
2. Cut one of "hollover", on fold. It will be double.
3. With right sides together, sew stocking together, using 1/2" elastic.
4. With right sides together, sew "hollover" ends, on diagonals.
5. Fold "hollover" so that wrong sides are together.
6. Sew "hollover" to wrong side of stocking, with seam on "the side of stocking".
On the heel side of the fabric, sew bag of ribbon (RT) into seam, upside down.
7. Turn right sides out. Fold over the top.

*For extra heavy fabric: Cut one "hollover", not on fold. Sew on and peek at from "hollover".
